Dear Customer / Supplier,

Please be informed that Swedish Orient Line AB, former owner of SOL Continent Baltic Line AB, has, together with Wallenius AB, formed a new company; WALLENIUS SOL AB, now owner of SOL Continent Baltic Line AB. As from **January 1st, 2020**, all new business will be carried out and operated under the name of WALLENIUS SOL AB instead of SOL Continent Baltic Line AB. Please open a new account for WALLENIUS SOL AB in your systems. Since both companies will be active for a short period of time, please make sure to have two separate accounts, and to make your payments according to the information on the received invoice. All business relating to the period before January 1, 2020 will thus continue to remain the responsibility of SOL Continent Baltic Line AB and only new business thereafter will be handled by and be the responsibility of WALLENIUS SOL AB.
